ADMISSION OF CANDIDATES TO DEGREE/HND PROGRAMMES FOR THE 2024/2025 ACADEMIC YEAR

Applications are invited from prospective applicants for admission into Degree/HND programmes of the Sunyani Technical University, Sunyani, for the 2024/2025 Academic year.

MTECH DEGREE PROGRAMMES (2-YEAR)

1. MTech Construction Technology and Management
2. MTech Telecommunications Engineering
3. MTech Civil Engineering (Water and Sanitation)
4. MTech Automobile Engineering

Entry Requirements

To apply for admission to the Masters programmes, applicants must have:

- i. A first degree not below second-class lower division from an Accredited University in the relevant field.
- ii. Applicants with third class or pass are required to have 2 years of industry working experience and shall pass a selection interview before admission.

DEGREE PROGRAMMES (4-YEAR)

1. Bachelor of Technology (B-Tech) Degree in Electrical and Electronics Engineering
2. Bachelor of Technology (B-Tech) Degree in Mechanical Engineering
3. Bachelor of Technology (B-Tech) Degree in Civil Engineering
4. Bachelor of Technology (B-Tech) Degree in Sustainable Energy Materials and Systems Engineering
5. Bachelor of Technology (B-Tech) Degree in Welding and Metallurgical Engineering
6. Bachelor of Technology (B-Tech) Degree in Materials Engineering
7. Bachelor of Technology (B-Tech) Degree in Environmental and Safety Engineering
8. Bachelor of Science (BSc) Degree in Mineral Engineering
9. Bachelor of Technology (B-Tech) Degree in Hospitality and Tourism Management

10. Bachelor of Technology (B-Tech) Degree in Tourism Management
11. Bachelor of Technology (B-Tech) Degree in Agriculture
12. Bachelor of Technology (B-Tech) Degree in Applied Mathematics
13. Bachelor of Technology (B-Tech) Degree in Computer Science
14. Bachelor of Technology (B-Tech) Degree in Information and Communication
Technology (ICT)
15. Bachelor of Technology (B-Tech) Degree in Pharmacy Technician
16. Bachelor of Technology (B-Tech) Degree in Construction Technology
17. Bachelor of Science (BSc) Degree in Real Estate
18. Bachelor of Technology (B-Tech) Degree in Facilities Management
19. Bachelor of Technology (B-Tech) Degree in Interior Design
20. Bachelor of Technology (B-Tech) Degree in Fashion Design
21. Bachelor of Technology (B-Tech) Degree in Wood Construction Technology
22. Bachelor of Technology (B-Tech) Degree in Computerized Accounting
23. Bachelor of Technology (B-Tech) Degree in Procurement and Supply Chain
Management
24. Bachelor of Technology (B-Tech) Degree in Marketing
25. Bachelor of Technology (B-Tech) Degree in Office Technology

Entry Requirements

Admission is opened to:

1. SSSCE holders with credit passes (A-D) in English Language, Mathematics and Integrated Science plus credit passes (A-D) in Three Elective subjects relevant to the programme of study
2. WASSCE holders with credit passes (A₁-C₆) in English Language, Mathematics and Integrated Science plus credit passes (A₁-C₆) in Three Elective subjects relevant to the programme of study
3. NABPTEX/CTVET CERTIFICATE II HOLDERS: Certificate II Applicants with Passes in six (6) subjects comprising three (3) core subjects (English, Mathematics and Integrated Science) plus three (3) passes in relevant elective subjects
4. HND Applicants with HND in the relevant programme area will start at level 300.
5. ADVANCED LEVEL holders with credit in at least Five (5) subjects at the GCE 'O' Level (or its equivalent) including English and Mathematics, plus at least two passes in the subjects relevant to the programme of study.

- c. Must pass a written examination.
- d. Must show proof of date of birth with any national document.

NOTE:

Notwithstanding the above entry requirements, there would be other Departmental requirements too.

DEGREE PROGRAMMES (TOP-UP)

1. Bachelor of Technology (B-Tech) Degree in Pharmacy Technician - top-up (Regular and Weekend)
2. Bachelor of Technology (B-Tech) Degree in Computer Science - top-up (Regular and Weekend)
3. Bachelor of Technology (B-Tech) Degree in Applied Mathematics - top-up (Regular and Weekend)
4. Bachelor of Technology (B-Tech) Degree in Information and Communication Technology - top-up (Regular and Weekend)
5. Bachelor of Technology (B-Tech) Degree in Agriculture top-up (Regular and Weekend)
6. Bachelor of Technology (B-Tech) Degree in Hospitality and Tourism Management - top-up (Regular and Weekend)
7. Bachelor of Technology (B-Tech) Degree in Tourism Management - top-up (Regular and Weekend)
8. Bachelor of Technology (B-Tech) Degree in Computerized Accounting – top-up (Regular and Weekend)
9. Bachelor of Technology (B-Tech) Degree in Accounting Technology – top-up (Regular and Weekend)

10. Bachelor of Technology (B-Tech) Degree in Procurement and Supply Chain Management top-up (Regular and Weekend)
11. Bachelor of Technology (B-Tech) Degree in Marketing - top-up (Regular and Weekend)
12. Bachelor of Technology (B-Tech) Degree in Management Studies top-up (Weekend)
13. Bachelor of Technology (B-Tech) Degree in Office Technology - top-up (Regular and Weekend)
14. Bachelor of Technology (B-Tech) Degree in Construction Technology - top-up (Regular and Weekend)
15. Bachelor of Technology (B-Tech) Degree in Wood Construction Technology - top-up (Regular and Weekend)
16. Bachelor of Science (BSc) Degree in Real Estate - top-up (Regular and Weekend)
17. Bachelor of Technology (B-Tech) Degree in Facilities Management - top-up (Regular and Weekend)
18. Bachelor of Technology (B-Tech) Degree in Interior Design - top-up (Regular and Weekend)
19. Bachelor of Technology (B-Tech) Degree in Fashion Technology top-up (Weekend)
20. Bachelor of Technology (B-Tech) Degree in Civil Engineering top-up (Regular and Weekend)
21. Bachelor of Technology (B-Tech) Degree in Environmental and Safety Engineering top-up (Regular and Weekend)
22. Bachelor of Technology (B-Tech) Degree in Electrical and Electronics Engineering top-up (Regular and Weekend)
23. Bachelor of Technology (B-Tech) Degree in Mechanical Engineering top-up (Regular and Weekend)
24. Bachelor of Technology (B-Tech) Degree in Materials Engineering top-up (Regular and Weekend)
25. Bachelor of Technology (B-Tech) Degree in Sustainable Energy Materials and Systems Engineering top-up (Regular and Weekend)
26. Bachelor of Technology (B-Tech) Degree in Welding and Metallurgical Engineering top-up (Regular and Weekend)
27. Bachelor of Science (BSc) Degree in Minerals Engineering top-up (Regular and Weekend)

Entry Requirements

HND holders in Pharmacy Technician, Dispensing Technology and allied sciences programmes with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300). Degree/HND holders from related programmes shall be interviewed before being considered for admission.

- Bachelor of Technology (B-Tech) Degree in Computer Science - top-up (Regular and Weekend)

Entry Requirements

HND graduates in Computer Science and students transferring from similar Programmes run at other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply.

HND holders in Computer Science programme with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300).

- Bachelor of Technology (B-Tech) Degree in Information and Communication Technology - top-up (Regular and Weekend)

Entry Requirements

HND graduates in Information and Communication Technology and students transferring from similar Programmes run at other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply.

HND holders in Computer Science, Information Communication Technology and allied programmes with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300). Degree holders from related programmes shall be interviewed before being considered for admission.

- Bachelor of Technology (B-Tech) Degree in Hospitality and Tourism Management (Regular and Weekend) (2 years top-up)

Entry Requirements

HND graduates in Hospitality and Tourism Management and students transferring from similar Programmes run at other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply. HND holders in Hotel, Catering and Institutional Management with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300).

- Bachelor of Technology (B-Tech) Degree in Tourism Management (Regular and Weekend) (2 years top-up)

Entry Requirements

HND graduates in Hospitality and Tourism Management and students transferring from similar Programmes run at other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply. HND holders in Hotel, Catering and Institutional Management with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300).

- Bachelor of Technology (B-Tech) Degree in Agriculture (Regular and Weekend) (2 years top-up)

Entry Requirements

To be eligible for admission to the Bachelor of Technology in Agriculture programme, candidates shall obtain the following qualifications:

- Higher National Diploma (HND) in Agriculture or other equivalent certificate in related areas
 - Obtain a minimum of Second-Class Lower Division
 - Worked in an agricultural industry or any other related industry for two years
 - Pass an interview conducted by the Technical University
 - Work experience may be waived for exceptional students with agricultural Science background and a minimum Cumulative Grade Point Average (CGPA) of 3.0 (Second Class Upper Division).
- Bachelor of Technology (B-Tech) Degree in Fashion Design (Regular and Weekend) (2 years top-up)

Entry Requirements

HND graduates in Fashion Design/Technology and students transferring from similar Programmes run at other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply. HND holders in Fashion Design/Technology with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300).

- Bachelor of Technology (B-Tech) Degree in Construction Technology (Regular and Weekend) (2 years top-up)

Entry Requirements

HND graduates in Building Technology and students transferring from similar Programmes run in other institutions with a minimum of Second Class Lower and must have had two years working experience, qualify to apply. HND holders in Building Technology with a minimum of a Second-Class Lower Division would be admitted to the third year (Level 300).

- Bachelor of Technology (B-Tech) Degree in Facilities Management (Regular and Weekend) (2 years top-up)

Entry Requirements

1. Applicants must have Higher National Diploma (HND) with Second Class Lower Division or better in Building Technology, Estate Management or similar construction related certificates at the same level with HND; and must satisfy all conditions that the Technical University may require. Such applicants would be admitted to the third year (Level 300).
2. Applicants with Diploma in Real Estate or similar related certificates at the same level as Diploma would be admitted to Second year (Level 200).

- Bachelor of Technology (B-Tech) Degree in Interior Design (Regular and Weekend) (2 years top-up)

Entry Requirements

1. Applicants with Diploma in Interior Design or similar fields (Design and or construction related) certificates at the same level as Diploma would be admitted to Second year (Level 200).
2. Applicants must have Higher National Diploma (HND) with Second Class Lower Division or better in Interior Design or similar fields (Design and or construction related) certificates at the same level with HND would be admitted to the third year (Level 300).
